THIS IS THE ONE

If you could sell or use only one insecticide for Vegetables, Flowers and Fruits, This IS The One.

Highly concentrated, this new, safe, super-powerful liquid spray presents the wonder working properties of Rotenone and Derris in a new patented form: Activated, Stabilized, Scientifically Compounded, and far more Effective.

In addition to Killing insects by outside contact and as a stomach poison it also effectively controlled by spraying. Insects so paralyzed that cannot fly or walk do not recover and the U. S. Department of Agriculture considers them dead. (See U. S. Treasury Specification No. 311.) Actual tests have shown effective control of the following stubborn insects:

Red Spider	Mealy Bugs	Leaf Hoppers
White Fly	Leaf Roller	Aphids (Plant Lice)
Green Fly	Rose Chafer	Colorado Potato Beetle
Mexican Bean Beetle	Cucumber Beetles	Cabbage Worms
Japanese Beetle	Harlequin Cabbage	Thrip
Spanish Fly (Bl or Beetle)	Bug	Flea Beetle
Tomato Worms	Coddling Moth	and certain others.

Dilutions vary from 1 part in 200 to 1 part in 1,000.  
TripleKill is harmless to persons or animals if spilled on skin and may be sprayed on edible fruits and vegetables without leaving a dangerous poison residue.

No soap or spreader necessary; mixes readily with either hard or soft water.

NOTE: By special arrangement with the manufacturers, the above Vigoro prices are delivered your station on orders totaling 300 pounds or more for shipment by rail only in all states except Texas and New Mexico. No allowance on truck shipments or call orders.

CONDITIONS OF SALE: This list cancels all previous quotations. These prices are for prompt acceptance, subject to prior sale and our further confirmation, and to change without notice. Prices are f. o. b. St. Louis, Mo.

NO CHARGE will be made for small cotton bags used in packing garden and flower seeds in broken bag lots, other than the quantity differential price. Heavy seamless cotton bags will be charged at value and are not returnable.

TERMS: Garden and flower seeds 2 per cent for cash in 10 days, net 60 days to firms of approved credit; otherwise C. O. D. or sight draft less 2%. Other items net cash. All accounts subject to demand draft when due. NOTE: To avoid delay when sending money orders or cash in advance for orders to be sent parcel post, please include postage covering your shipment.

NOTICE: The total quantity of a kind or species shipped at one time will determine the quantity classification in which all varieties in that kind or species will be priced except that broken bag lots shall not be considered in determining the quantity class, and each variety bought in less than bag quantity shall be priced by itself.

In determining quantity classification the following kinds of seed will be considered as of the same species:

- |                              |   |                         |
|------------------------------|---|-------------------------|
| I. Beans and Peas            | III. Beet, Swiss Chard, Mangel & Sugar Beet | V. Onion and Leek       |
| II. Corn: Table, Pop & Sweet | IV. Celery and Celeriac                     | VI. Turnip and Rutabaga |
